**Online Chinese Learning Program**

## About Xi'an

Xi'an, where Innovation meets ancient history.

Historically, Xi'an was China's window to the world through the Silk Road, playing a core role in international trade between China and far flung cultures. Today, the city reflects this remarkable international history as a fast-growing trade, hi-tech, and commerce hub in northwestern China.

The online Chinese learning program at NPU will bring you to the historic city of Xi'an.
